Website: www.bonnerrspringsrotary.org

Pres: Bruce Coleman

Vice-Pres: Joel Kivett

Sec.: Larry Berg

Treas: Wes Mills

April 25, 2011

Last week: Pres. Bruce led a discussion of upcoming events. A preview of the Club Assembly to be held on Tues. His emphasis was on planning!

We are sponsoring a student to attend the **Rotary Leadership Academy** on June 5 to 9.

The Bonner Rotary is having a table at the "Rise and Shine" breakfast next Monday at the High School sponsored by the Bonner Springs Educational Foundation. Members were asked to attend..

Club Assembly: 13 members attended and a great evening it was. Pres. Elect Joel, fresh from attending PETS (President Elect Training Session) had a chart of topics to cover and we did in the 2 hours. Pizza got us off to a good start. His emphasis this year is, of course, membership along with more international involvement. Our projects could be planned better along with more publicity. Each committee is to make a schedule of what events they are doing along with a timeline and list of duties, etc. We all need to know!!!! A lot of good discussion was held and our club is off to another good start for next year. Especially with our October 1st- 75th Anniversary Bash! We need to focus on young business folks.

We have had 4 avenues of service in Rotary for a good many years. We now have a 5th...**New Generations Service.** Approved at the Council on Legislation in 2010. There will be a separate director in each club for RYLA, Rotaract, and Rotary Youth Exchange.

District Conference is April 29-May 1 and attendance is encouraged. It's close by in Overland Park.

Thought for the Day! If you think the phrase "As easy as taking candy from a baby" is true just try to take some from a 2 year old.
