Last Week: **John Robison** of Roving Imp in Bonner Springs presented a great program with the help of **Mary Redmond**, one of his students. He has acting classes for all types of people from 15 year olds to lawyers. In improvisation one needs to think quick and listen better. They presented several types of situations: "Quick Change" in which the theme was Nudity. "Actor's Nightmare" used every other line from a freely chosen play. "Movie Genre" was done documentary style and used our own Del Coleman as the "guest star". Fun program.

**From the Rotator of April 7, 1966:** Program was Al Higgins, Exec. Vice Pres. Of Downtown Topeka, Inc. He impressed all present with the necessity of the cooperative effort required of all the business men of the downtown areas to improve the shopping conditions. (in Bonner, too?)

There was a review of the 14 steps needed to propose and electing members in Rotary.

At this year's **District Conference** we will be submitting photos of our efforts in literacy for a display. Be sure and look for it.

**Programs:** This week, Mike Miller. Next week: Scholarship Night. Details announced today???

**From the March Rotarian:** A great article about our Endowment Fund that started when there was a terrible flood in the Midwest in 1916. Rotary's executive committee convened in Chicago and voted to send \$8,000 to the cities of Columbus, Dayton, and Omaha and to the Red Cross. That decision marked the organization's first official act of humanitarian relief.

**Thoughts for the day:** Congressmen should wear uniforms like NASCAR drivers so we could identify their corporate sponsors.
