Last week's program was Bonner Senior High Principal, **Joe Hornbeck** who updated us on programs the school has instituted lately. The Brave Cave is a "store" run by the Business and Entrepreneur classes that started out with coffee and has expanded to snacks, apparel, etc. Sporting events and graduation will be Live Streamed by the journalism classes. KCKCC has 3 adjunct professors who come to the school and teach History, English and Sociology. The weight room is helping team training. Last year the freshman class was divided into two tribes of about 100 each. The tribes have the same 4 teachers who can interact with the students better. The dropout rate has decreased.

October 1: 75th Anniversary. Fact #2: the charter members numbered 19.

Todays program: Judy Miksch; Dessert—Bill Miller: Next week: Louis Kastner program and dessert.

Luggage Project: Lois works with the foreign officer families at Fort Leavenworth and has asked that if we have any luggage (especially larger suitcases) that we have extra the families need them to send home their "stuff" after being here as it is always more than they brought. Bring them to the meeting next week!!!!

Committees: Incoming Pres. Joel has sent out his committee list along with a definitive list of responsibilities. A great start to his year along with the Club Assembly we had recently. He asks that you look it over carefully and contact him if your committee might not fit your abilities. Only you know!

Thought for the day: (Mark Twain) The quickest way to double your money is to fold it over and put it back in your pocket.

Song for today: (note new phrase to update us) R-O-T-A-R-Y, that spells Rotary, R-O-T-A-R-Y is known on land and sea.

From north to south, from east to west **We profit most who serve the best.**

R-O-T-A-R-Y, that spells Rotary.
