Message of Sorrow: Member **Larry Berg** passed away last Saturday. It was sudden.

Larry served 32 years as a school band director at Oskaloosa, Bonner Springs and Ft. Leavenworth. He was USD 204 Youth Friends Coordinator for 11 years. Larry had conducted our City Band for 30 years. Visitation is at Alden-Harrington Funeral Home on Tuesday evening, 6-8. Funeral at the Methodist Church Wed. at 10 am. He will be missed!

Sen. Jerry Moran of the Hays Rotary Club was a visitor 3 weeks ago. He comes home from Washington every weekend and now that he knows we meet on Mondays and on his way to the airport we will see him again.

Our program was Mahmoud Almaharmeh, LTC of the Jordan Army who has completed his schooling at Ft. Leavenworth. Lois has been his sponsor during he and his families' tour. He told of his career and some of the strife in the Middle East. He hoped we would be open minded about the terrorists not representing all Muslims.

Del and Lois and some of the suitcases we contributed to the Ft. Leavenworth foreign officers to help get their "stuff" home.
